CAMP VERDE COMMUNITY LIBRARY

good company always Welcome...

MEMORANDUM

TO: Russ Martin, Town Manager
FROM: Kathy Hellman, Library Director
SUBJECT: Monthly Report – November 2014
DATE: 12/9/2014
CC: Department Heads

The revised Library plan was put out to bid at the beginning of November. Public Works and Camp Verde Community Library hosted the mandatory pre-bid meeting Wednesday, November 8 in Room 206/207. Over 30 interested contractors and subcontractors attended the meeting. Special thanks to Deborah Ranney and Ron Long for getting the project up on the Public Purchase website and for doing the work that made the meeting successful. The bid is due to close December 18, 2014 at 10:30 a.m.

A couple of Librarians attended the Arizona Library Association Conference in Fountain Hills November 13. The Arizona State Library unveiled the [Reading Arizona](#) project, a collection of eBooks about or set in Arizona. The project is making eBooks available for all AZ residents to check out on their e-readers and read for free. The site includes collections from University Presses, Poisoned Pen, Local Arizona History, American Traveler Press, and a variety of Historical categories.

and historians an opportunity to self-publish stories about and set in Arizona.

Thanks to the Yavapai County Free Library District, Camp Verde Community Library received our first RFID antenna and CircIT seat license. This past year, we went through the collection and tagged each item with a radio frequency identification tag (RFID) in preparation for providing self-checkout stations (CircIT) in the new library. The new antenna and CircIT software will be used by our technical services librarians to tag new and donated material that the library receives and to train staff on the new interface.

Youth Services Librarian, Dianna Manasse, took a group of TAB kids to NAU for a tour. This is the second college campus our teens have toured in the past few months. Both times were eye-opening experiences that have inspired a few of them to pursue the possibility of considering a college degree in a field of interest that they previously thought was out of reach.

A group of people excited to see Camp Verde Community Library's Alexandria Co-Working Space come into existence met at the library. We will consider and explore how to best focus our energy and resources to benefit our community.
